

1 Peter 3:15

MARILYN JOY TYNER (Apologist and Presenter)

A HALF-DAY APOLOGETICS SEMINAR:

“Christian Witnessing in Today’s World!”

(Host a seminar at your church choosing three of these sessions)

★ 1. A CRASH COURSE IN APOLOGETICS FOR CRAZY-BUSY WOMEN

Today we face new and continued challenges to the Christian faith. As redeemed women who know the living God, we want to share our faith with unbelievers and be ready to give them reasons and evidence for Christianity (1 Peter 3:15). This session will give you a “working knowledge” of apologetics and inspire you to respond to unbelievers’ questions, so they will be open to the life-saving Gospel. After all, many of them are only one question away from coming to faith in Christ!

★ 2. THE BATTLE FOR SOULS IN THE CLASSROOM

A spiritual battle is raging in our public schools and universities. Our Christian teenagers need to be prepared to stand against the seen and unseen attacks they encounter from teachers, other students, and the materials they read. This power-point presentation, geared to moms as teachers, focuses on apologetics to strengthen teens’ faith, help them respond to today’s challenges, and enable them to share rational reasons why they believe in the God of the Bible.

★ 3. SHARING GOD’S ATTRIBUTES AS A BRIDGE TO THE GOSPEL

Despite competing voices in our spiritually mixed-up world, the living God of the Bible reigns and His character is magnificent. This session will showcase ten brilliant facets of our multi-faceted God, who’s likened to “a diamond shining perfection in every direction.” It is designed to deepen your knowledge of the living God and your walk with Him, as well as inspire you to share God’s attributes with unbelievers as a bridge to presenting the Gospel of Christ.

★ 4. TEENS ENGULFED IN THE CULTURE

It is vital that we pass on to our next generation the “biblical worldview” to help them make sense out of contradictions they see around them – in beliefs, values, events. This session will prepare you to explain to teens and youth groups the Bible’s overall view of reality. The three parts are “Getting Tight with Jesus,” “Resisting Cultural Grips,” and “Passing on the Baton of Biblical Truth.” It is God’s desire that our youth will offer hope and light in today’s confusing times.

★ 5. THE TOWERING MOUNTAIN OF EVIDENCE FOR CHRISTIANITY

Lawyers and police detectives understand that evidence is essential to ascertain truth. Pilots and surgeons know that people’s lives can depend on factual data. Analyzing solid evidence is also vital in determining which, if any, religion is true. Christianity “towers” over all religious systems. In this session, we will review the three top evidences for the Christian faith (fulfilled Bible prophecy, Jesus’ resurrection, and His numerous miracles) so you will see yourself as an “everyday apologist.”

★ 6. HOW TO REACH RELATIVISTS FOR CHRIST

Our world is becoming increasingly more relativistic. Many people are getting swept up in the cultural climate of relativism, believing they can decide their own truth and choose their own gods. Yet truth is not relative to people’s perceptions or opinions. Jesus declared, “Thy word is truth” (John 17:17), and He is the truth (John 14:6). This session will present four approaches to overcoming the challenges of relativism, equipping you to help unbelievers step from the shifting sands of relativism into a relationship with the One who is Truth (John 14:6).

Her messages draw people nearer to our Savior and often incorporate answers to the how-and-why questions we face regarding the meaning of life. She will not just inform you, but will inspire you to ‘rightly divide the Word of truth.’”

—VALERIE GARRETT, Speaker-Trainer, Stonecroft Ministries International

“Drinking the Living Water seminar was a joyful and refreshing day! Our souls were well watered, encouraged, and challenged to go out to our dry and thirsty land and share with others!”

—TINA COLEMAN, head pastor’s wife, Calvary Chapel Palm Desert, CA

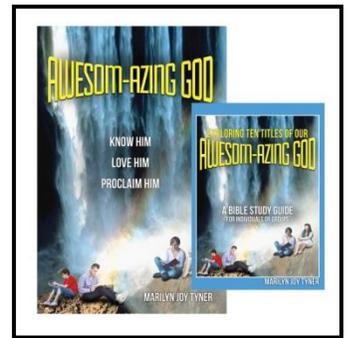

ENDORSEMENTS – AWESOM-AZING GOD (Book and Study guide)

“God’s attributes, as described by Marilyn Tyner in AWESOM-AZING GOD, are expressive, uniquely described, and inspiring. This devotional will draw readers to the living God to enjoy the expanding and potential explosive growth of an eternal relationship with our Savior and Lord.”

—JOSH D. MCDOWELL, Author and Speaker, Apologist

“If you want to be captivated by the living and true God in a personal, engaging, and exciting way, this is the book for you! It is a soul-satisfying study of the characteristics of the biblical God. Given that A. W. Tozer said, ‘What you think of God is the most important thing about you’ (Knowledge of the Holy), this could be one of the most important books you ever read.”

—NORMAN L. GEISLER, Ph.D., Chancellor and Professor of Apologetics, Veritas Evangelical Seminary

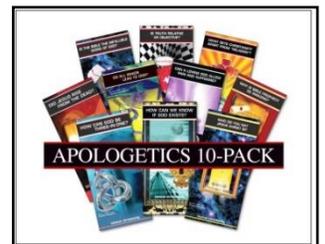

“Your heart will be encouraged, your faith will be strengthened, and your desire to share the gospel will be intensified as you meditate on the immutable attributes of God as brilliantly presented in this book. This timely devotion will ignite your passion to not only know our Awesom-Azing God better, but also to passionately share Him with everyone you meet!”

—KATHY MORALES, Ed.D., Dean of Women, Calvary Chapel University

ENDORSEMENTS – Marilyn’s TRUE-WAY TRACTS® Ministry of Evangelistic Materials (Apologetics Briefs and Gospel Tracts)

“TWT Apologetics Briefs are intellectually engaging, powerful in their message, and visually stunning in their design—a rare combination in this type of literature. It is obvious that the author, Marilyn Tyner, really understands the issues and knows how to lead people to the wellspring of truth. I have no doubt these magnificent witnessing tools will help produce great fruit for the Kingdom and will be a blessing to those who use them in evangelistic ministry.”

—CRAIG J. HAZEN, Ph.D., Director of Graduate Program in Apologetics, Biola University

TWT Apologetics Briefs - (Re: Do All Roads Lead to God?) “Simple, understandable, and logical explanation for the thinking person truly in search of the truth.” (Re: How Can a Loving God Allow Pain and Suffering?) - “Excellent overview of the perplexing questions about pain and suffering, and God’s purpose in allowing it in the world.” (Re: What Sets Christianity Apart from Religion?) - “Excellent, brief synopsis of the difference between true Christianity and other religions.”

—KAY ARTHUR, Bible teacher and author, Founder of Precept Ministries International

“This is to recommend in the strongest terms TWT Apologetics Briefs. They provide what is badly lacking in Christian circles: responsible, succinct evidence for the faith once delivered to the saints. In our secular age of the ‘sound bite,’ they can give concerned believers the ammunition to fulfill the apostle’s admonition: ‘Be ready always to give a reason for hope within.’”

—JOHN WARWICK MONTGOMERY, Ph.D. Apologetics and Law Professor, Trinity College and Theological Seminary
